Day 2 – GO BEYOND WITH BOLDNESS!

Today we will learn the story of Esther, who with courage and boldness saved her people. Yesterday, we found FAITH on Planet Truth – today we look for BOLDNESS on Planet Courage.

OFFERINGS

This morning's offering was very generous! We nearly filled our box with non-perishable foods, and had a nice collection to go to RISE UP.

We give thanks to God for providing us with gifts we can share! May our generosity continue through the week!

POTLUCK LUNCH ON FRIDAY!

Families are invited to a special lunch on Friday at the end of the VBS morning. Notes will be sent home later for potluck assignments. This is our VBS celebration – you don't want to miss it!

Our guessing game (how many teddy bear crackers are in the container?) was won by Emily J and Jack D – congratulations! Today – guess how many mini marshmallows are in the container!?

Craft Time!

Send water bottles
with your children to VBS!

Outside – following in
the footsteps of Jesus!
