Vacation Bible  
School Daily Newsletter

## Day 5

Today's Bible story is about Jesus walking and talking with two friends on the road. They don't recognize him until they sit down at a meal together.

Today is our last day of VBS, and we are celebrating with a potluck lunch, a photo display and other fun activities. We are grateful for all the volunteers, all the children, and all the families who have made this week possible. We also are grateful that whenever we gather, Jesus is with us!

**Join us today for lunch  
and a VBS Celebration!**

# OFFERINGS

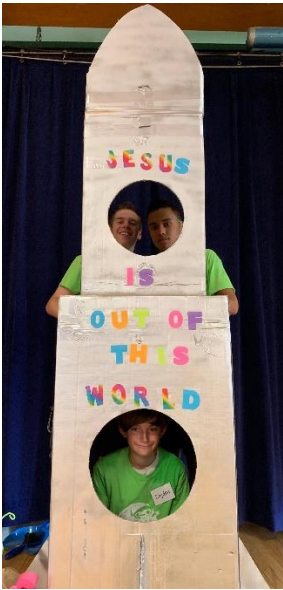

Every day this week, the VBS children have brought in non-perishable food items for the Food Closet, and money offerings for RISE UP. As of today, July 26:

\$66.61 for RISE UP

150 Items for the Food Closet
